How ♦ In writing to Subscriber's Client Solutions Executive

2. Information for the Calculation of Fees

Numeris requires information from certain Subscribers for the determination of Numeris subscription fees. The specific information required is outlined below based on the Subscriber Category. Consequences of late submission (i.e. after the deadline indicated below) or non-submission of the required information are outlined in the Fee Policy.

a) Who ♦ Advertising Agencies

What ♦ Verified net billings per Authorized Affiliate. Verified net billings are gross billings less agency commission, i.e. value of media planned and/or bought, in the previous calendar year. Note:

- Billings included from all Canadian stations, whether Numeris subscribers or not.
- Billings included from all Canadian markets, whether measured by Numeris or not.
- Billings included whether the agency or client is invoiced.
- The value of contra or exchange arrangements are included in billings.
- Billings are expressed in Canadian dollars.

Radio and television billings are determined separately. Net billings are calculated as the sum of:

- 100% of all net billings for accounts that are planned and bought.
- 50% of all net billings for "plan only" or "buy only" accounts, provided both the "plan only" and "buy only" agencies are Numeris subscribers.
- 100% of all net billings for "plan only" or "buy only" accounts, if one of the agencies on the account is not a Numeris subscriber.

When ♦ Request: Annually, typically in March each year.

Deadline: April 15th. In order to receive preliminary fees, billings must be received by Numeris by the deadline.

How ♦ Numeris issued billing certificate signed by the Chief Financial Officer (or other senior signing officer) and submitted to Numeris via email to: NumerisFees@numeris.ca.

b) Who ♦ Radio Publisher-Broadcasters

What ♦ The following information:

- Audited annual revenue per Authorized Affiliate in the previous broadcast year (September 1st to August 31st) for station with some commercial content. Annual revenue is defined as gross revenue from local and national sales less national representative commissions, including local and national time sales, network payments to stations, infomercial and national rep commission as reported in boxes 01, 02, 03 and 27 from the financial summary page of the station's annual return for the C.R.T.C.
 - Annual revenue is based on revenue from both Canadian and U.S. sources, including all U.S. revenue for U.S. broadcasters.

- Annual revenue includes revenue from all repeaters.
- CBC & SRC Stations: number of transmitters, if applicable, and hours of original programming associated with each Authorized Affiliate.
- If requested by Numeris for select stations, station power and/or station license / type.
