	YouTube is effective September 10, 2021.		
DELETED	Effective May 29, 2023, <b>PopcornFlix</b> is no longer available in Canada due to geo-fencing.		
PLATFORMS			
DATA	For some stations/programming where streaming viewing is low, data should be used with caution.		
CONSIDERATIONS	PROGRAM LINE UP VAM linear line up uses Overnight line up not Weekly confirmed line up.		
ADDITIONAL NOTES	Effective October 2, 2024, internal technical issue with CP24.		
	Effective July 10, 2024, internal technical issue with <b>BNN Bloomberg</b> .		
	Paris 2024 Paralympic Games from Wednesday August 28 - Sunday September 8, 2024.		
	Effective with the August 2024 release, there is a technical problem prevents the publication of certain data for Radio-Canada.		
	Paris 2024 Summer Olympics from Friday July 26 - Sunday August 11, 2024.		
	UNTAGGED PURE PLAY Due to the absence of census data for untagged pure plays, more variability in audience data may be seen.		
	CBC Gem & CBC Gem Premium are reported under CBC station(s).		
	ICI TOU.TV EXTRA & ICI TOU.TV are reported under Radio Canada station(s).		
	PURE PLAY when completing analysis on Pure Plays, the LIVE + 7 Day Playback + BVOD default is recommended.		
	Digital platforms, Streaming Services and Pure Play URLs are updated regularly to reflect changes such as new applications, revised urls, new services, etc. and may cause fluctuations in the data.		
	PROGRAM DATA		
	999999 = season and episode tags not provided.		
	888888 = episode number tags not provided.		
	777777 = season number tags not provided.		
	BVOD missing program names are identified as "Not Available".		
	LINEAR TV DATA Due to the additional weighting criteria in VAM (i.e. high-speed internet access requirement), minor differences may be observed when comparing linear TV data in TAM vs VAM.		
	The currency remains TAM (PPM). BROADCASTER LIVE STREAM PPM encoded broadcaster live stream content is double-counted. This will be eliminated with National Video Measurement that will utilizes a single source panel.		
	PLUS suffix added to Pure Play services with a "+" in their name when the same name is shared with broadcasters/stations.		
	PURE PLAY suffix added to Pure Play services with the same names as broadcasters/stations.		
	LINEAR TV PLAYBACK Effective with the December release, monthly playback reporting no longer requires the inclusion of the first week of the subsequent month.		
	CABLE VOD (i.e. ODM) services that require a cable/satellite or other paid subscriptions, are not tagged or included in the dataset.
